9-12 6:00, 7:30

13-17 6:15, 8:00

When does practice begin?

Practices generally begin about a month after registration. This gives staff time to get teams together and coaches their information.

When do games begin?

Games generally start about a month after practices begin.

What team is my child on?

The coach will call before the season to let you know what team your child is on. At the first practice he or she should hand out a practice schedule for you to follow. All schedules are subject to change. Coaches should conduct a team meeting before the season for any questions that parents may have.

Do they play on the weekend?

Yes and No The 4 or 5/6 age group will not play or practice on the weekend.

7/8 thru 11/12 boys age group will generally not play on the weekends.

9-10 girls thru 13-15 girls, and 13-17 boys will play some or most of their games on the weekend because these leagues have to travel to other areas. Tournaments can be played on the weekends.

What day does my child practice/How many practices per week?

The practice day could be any day Monday through Saturday. This day could change every week. The days vary due to the amount of teams in each league. Each season is different.

During the pre-season most teams practice twice a week, one time during the week and possibly once on the weekend. When the season begins the teams will possibly practice every other week.

Where can I get a practice/game schedule?

You can get a practice/game schedule from the coach or from the website at

www.knightdalenc.gov
